Quote of the Day

"Next time Nancy Pelosi tries to play politics with funding for U.S. troops in Iraq, she might want to check the newspaper first...

...When Pelosi & Co. tried a similar stunt in May the administration argued - rightly and persuasively - that Congress needed to give Gen. David Petraeus' troop surge time to work. Now that all signs indicate it is working, the Democrats' cut-and-run stubbornness seems all the more out of touch...

...Obstructing a war is easy; fighting one, not so easy."
