## Friday's Forecast

On Friday, no votes are expected in the House.

## Quote of the Day

"Led by Speaker Nancy Pelosi, D-Calif., the House let a crucial deadline come and go without even taking a vote on the matter. ... It didn't have to be this way. Both parties in the Senate cooperated, setting aside their differences to try to keep the citizenry safe. The House should have done the same thing. Only our enemies gain from this kind of political gamesmanship."
